

Speech and Language Support in the Classroom

Longdean School a Mathematics and Computing Academy
Speech and Language Base

NVQ Level 3 Qualification in Speech and Language Support for 11-16s—January 2018

This **3 day course** is at NVQ Level 3, accredited by the QCA-approved awarding body Open College Network and moderated by ELKLAN.

Portfolio completion is certificated. There is the option of attending the training without completing a portfolio for accreditation.

The Longdean Speech and Language Base will offer the course for **Secondary** during the Spring Term, 2018. **The host setting will be Onslow St Audrey 's School in Hatfield**, which also has a Speech and Language Base. This is a **central location** for colleagues from all areas.

The course uses materials created by ELKLAN to enable participants to:

- Feel more confident working with children and young people with a speech, language and communication need (SLCN)
- Be able to learn about and apply a range of classroom strategies for SLCN
- Understand their role in supporting the development of communication skills

9 January training will cover sessions 1—3, including: Communication and Memory. **30 January** training will cover sessions 4-6, including Vocabulary, Expressive Language and Verbal Reasoning. The **20 February** training will include Social Skills and supporting Phonological Awareness, as well as drawing all the training together. On **20 March** a Portfolio Supervision will be offered **by appointment**.

Feedback from previous participants:

'I have more confidence in anticipating students' problems' Secondary History Teacher *'I now understand the SALT approaches and how they work for the child' Primary INCo* *'This course should be converted into a compulsory module for Initial Teacher Training Secondary TA* *'The course has been invaluable in giving me ideas ... and appreciating underlying difficulties—even for A-level students' Secondary English Teacher* '
