

Families in Focus CIC

SLEEP TIGHT

*for parents caring for children
with Additional Needs*

*“Sleep is vitally important to support children’s development and their wellbeing. Sleep deprivation affects behaviour, learning, health, mood and the whole families function. Our approach to sleep uses specific behavioural and cognitive techniques to help parents adapt night time behaviours. 86% of children with SEND experience sleep issues.”
Vicki Dawson founder of The Children’s Sleep Charity.*

Our very latest evidence based course:

Topics include:

Understanding the stages of sleep and the impact of sleep deprivation on children’s behaviour, learning, health & mood.

Identifying the causes of children’s sleep difficulties.

Establishing effective bedtime routines.

Understanding the causes of sleep disturbances.

Strategies to manage common sleep issues.

Positive parenting: establishing a positive, sleep inducing bedroom environment to aid healthy sleep.
