About	A regular First Aider responds to people experiencing physical injury. They provide initial help and facilitate access to more specialist support. This course works on the basis that there is a role in our communities for mental health first aiders – people that feel confident to go to someone experiencing emotional distress, provide initial help and guide them towards more specialist support. This accredited evidence-based course covers how to respond to 8 to 18 year-olds experiencing mental and emotional distress.
Expected outcomes	<ul style="list-style-type: none"> • Spot the early signs of a mental health problem • Feel confident helping someone experiencing a mental health problem • Provide help on a first aid basis • Help stop a mental health problem from getting worse • Help someone recover faster • Guide someone towards the right support • Reduce the stigma of mental health problems
How to book	This course is offered on a first come, first served basis. To book your place, please email loran.kingston@hertsmere.gov.uk
